

Art Fair Jackson Hole Volunteer FAQs

The July and August Art Fairs are the primary fundraising events for the Art Association of Jackson Hole. Funds generated by this three-day Art Fair help support and develop our art education programs for children and adults, as well as programs for artists through exhibitions, scholarships and classes.

The Art Fairs would not be as successful without our amazing and dedicated volunteers! It takes approximately 450 volunteer hours the week of each Art Fair to make them run. If you are interested in supporting the Art Association's largest fundraiser, participating in community events, meeting new people and earning good karma, please sign up today! Volunteers receive great perks including free Fair entry, membership and even class credit!
