Poster Artist Call for Entry

We want your art on our Art Fair Jackson Hole poster. Your art will appear on all of our Summer Art Fair marketing materials including; 200 12 x 18 posters, 200 tote bags, 18,000 brochures distributed throughout Teton County ID, and WY, 100s of flyers, the Art Association Website, social media marketing materials, all with visible credit given to you, the artist. This is a great chance to market your work, giving you exposure to thousands of viewers. AND if you are selected to be the winner you receive a booth FREE of charge at BOTH Art Fairs.

We are looking for an iconic Jackson Hole image. This poster, in addition to having local appeal, becomes a memento and souvenir for out-of-town participating artists and tourists, thus it needs to communicate our region. The image must be a painting, drawing, mixed media or printmaking media image, no photography please. Please note, you are not designing the poster with typography, concept etc. We are purely looking for a compelling piece of artwork. Share something you have already created or make something new. Know that if you make something new for this entry that it may not be chosen. The image needs to be in vertical orientation. Since it will be printed out at its largest size at 12" x 18" please make sure the original size is close to those dimensions and scanned or photographed and made into a .jpg or .tiff at 300dpi. Please send your artwork to kelli@artassociation.org with 'Poster Artist 2020' in the subject line by the DEADLINE March 6, 2020.
