

The Art Association's Art Fair is a quintessential Jackson Hole summer tradition. This year, we will only have one Art Fair, July 23-35. This outdoor fair features local and national artists selling fine art and craft including ceramics, paintings, jewelry, furniture, photography, and much more. Food vendors, youth activities and crafts add to the extended weekend activities. All proceeds from the Art Fair benefit the Art Association's mission to provide quality art education for students of all ages, as well as community outreach programs partnering with 20+ valley organizations. Your sponsorship helps keep entrance prices accessible for the entire community.

Event Sponsors provide important support to the Art Association, while enjoying excellent visibility and marketing presence in the community. The Art Association seeks support for Art Fair Jackson Hole at the following levels:
