

2022
IMPACT REPORT

ART ASSOCIATION OF JACKSON HOLE

MISSION

The Art Association of Jackson Hole is dedicated to encouraging a vital, creative community by providing everyone with exposure to, education in and enjoyment of a wide variety of art experiences.

WELCOME 2023

The Art Association of Jackson Hole is 60 this year and is the oldest visual art nonprofit in the valley.

As I reflect on 2022 and look towards 2023, I am flooded with thoughts of the 60 years The Art Association of Jackson Hole has seen in this valley and how it has enhanced artists' lives through new skills, studio space, and friendships.

How many students have taken classes? How many artists have been encouraged? How many people have purchased art made by artists through our events? How many board members and leaders have stewarded the organization? How many teachers have inspired students? How many patrons have given time and support?

Numbers are one way to tell our story, but it is hard to quantify the way that The Art Association of Jackson Hole has created a community of artists, makers, and patrons.

The town of Jackson looked very different 60 years ago in population and in appearance but we continue to provide vital space for artists and students to work together. As a community, we continue creating together in this magical landscape. We can't wait to celebrate with you this year in many different ways.

Warmly,

Bronwyn

Bronwyn Minton is a multi-disciplinary artist and independent curator. She holds a BFA from the Rhode Island School of Design and an MFA from the San Francisco Art Institute. She joined the Art Association after being at the National Museum of Wildlife Art for more than 13 years. Her artwork has been shown nationally and internationally, and is in public collections including the Wyoming State Museum and the Nicolaysen Art Museum, St. John's Hospital Foundation, and Teton Media Works, as well as private collections. Over the past twenty years Minton has curated many art exhibits that brought together a wide range of the Jackson Hole community. She has been awarded two Wyoming Arts Council Visual Arts Fellowships, the Cultural Council of Jackson Hole's Creative Pulse Award, and the 2021 Governor's Arts Award.

YOUTH CLASSES & CAMPS

The Art Association of Jackson Hole proudly provided vital and creative art-making programs for local and visiting youth of all ages throughout 2022.

After school classes were offered for children ages 5-18 in the winter, spring and fall. Students explored design, drawing, painting, ceramics, mixed media and digital illustration.

Two week long Spring Break camps were offered. An Art Explorers camp was enjoyed by grades K-2 in the Multi-Purpose Studio and was taught by an AmeriCorps service member. The grades 3-5 Sewing Projects camp took place in the Borshell Children's Studio with a veteran instructor.

Eleven weeks of full day, week-long summer camp sessions were also held. Grades K-2 camp highlights included: Animal Art, Space Adventures Camp,

Large Scale Paintings and Plein Air Camp. Grades 3-5 camp highlights included: Puppet Masters, Fantasy Home Design, Map Makers and Cardboard Camp. Middle and high school students participated in Plein Air, Photography, Filmmaking and Stop-Motion Animation Camps. Multi-week Ceramics sessions took place for grades K-9 during the summer months, as well.

Several dynamic summer camp collaborations were presented with Teton Music School, Riot Act, Inc., Dancers' Workshop and Off Square Theatre Company.

All five of the awesome studios were utilized, and instructors regularly enjoyed taking kids onto The Center Lawn.

ADULT PROGRAMS & STUDIOS

In 2022, we proudly provided exciting opportunities for adults to take classes in a variety of mediums with world class instruction.

Local artists, amateur and professional alike, utilized our five amazing studios to participate in our culture of making things by hand as well.

We partnered with Teton Artlab for their Uncommon Art Residency program. Each of the artists in residence shared their work and process with public presentations.

OUTREACH

Our goal for outreach is to make art accessible to our local community, including those who have been identified as underserved.

The Art Association's outreach and education program, **Creating Hand-in-Hand**, has been providing opportunities for art enthusiasts ages one to 101 for more than 20 years. The program recognizes the benefits of incorporating art into everyday life.

& ART THERAPY

Art encourages self-exploration, creative problem solving, and has many therapeutic benefits. Through collaborations with other organizations in the community, we are able to bring art to populations that may not have access otherwise. We want to share our love of art with anyone and everyone who is interested.
