

Art Association Members' Show 2024 Prospectus "Taking Flight"

On Display April 15 - May 24, 2024

Art Association Members are invited to submit artwork for the Art Association's annual exhibition and celebration of our members' creativity. This year's theme is "Taking Flight." We are looking for work in any medium that explores the idea of taking flight. We encourage participants to interpret this concept in out of the box ways beyond the literal. In addition to artwork about or inspired by birds, we would love to see pieces exploring how making art can help the artist "find their wings," metaphorical, allegorical, or symbolic interpretations, mythology, cultural exploration, and much more. We are excited to see your creativity!

Requirements:

- Participating artists must have a current Art Association membership at the time of the show's display dates.
- Artists may submit up to three (3) pieces of artwork for consideration. There are no size restrictions. The show is not juried, but inclusion of work will be determined by available hanging space. Every artist who submits work for consideration is guaranteed a minimum of one (1) piece to be displayed in the exhibition.
- Submitted artwork should have been finished during 2023 - 2024 and never before displayed in an Art Association exhibition.
- All works must be for sale - no NFS. The artist/gallery split is 60% to the artist, 40% to the Art Association. Please price accordingly.
- All artists are required to submit an artist statement including an explanation of how their work relates to the theme, "Taking Flight."
- Work must be ready to display - framed and wired, freestanding, or otherwise ready to hang/display.
- Artists should submit their work and artist statements through Eventeny.com, the platform the Art Association uses to manage art applications and exhibitions. There is no charge to submit work for consideration.
