ART ASSOCIATION OF JACKSON HOLE

ANNUAL REPORT

Dear Friends and Supporters,

As we reflect on the past year at the Art Association, it is with immense pride and gratitude that we present our annual report. This year has been one of transformation, creativity, and resilience. Our organization has continued to be a vital hub for artistic expression, community engagement, and cultural exchange, even amidst the ongoing challenges we all face.

The events of the past year have tested our resolve, but they have also illuminated the importance of art in our lives. We have witnessed how creativity can inspire hope, foster connection, and drive change. Whether it was through our exhibitions showcasing local and national artists, educational workshops inspiring the next generation of creators, or community outreach programs bringing art to community members from diverse backgrounds, we have remained committed to our mission: to enrich lives through the visual arts.

I extend my deepest appreciation to our talented artists, dedicated staff, and enthusiastic volunteers whose hard work and passion have brought our vision to life. Each of you plays a crucial role in cultivating a vibrant arts community, and your contributions make it possible for us to achieve our goals. To our patrons and sponsors, thank you for your unwavering support. Your generosity enables us to continue delivering innovative programming and sustaining our creative initiatives.

This report highlights our achievements over the past year, from impactful exhibitions and successful fundraising events to educational initiatives that have reached hundreds of participants. We are proud of the partnerships we've fostered, the artists we've supported, and the community we've built together.

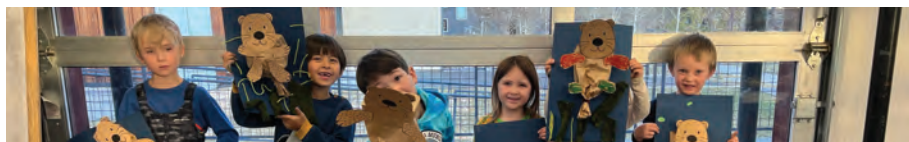

Looking ahead, we remain committed to evolving and adapting to meet the needs of our community. We envision a future where art remains accessible and integral to our society, where creativity knows no bounds and serves as a catalyst for change. Together, let us continue to inspire, engage, and transform.

Thank you for being an essential part of our journey. I invite you to explore the pages of this report and celebrate the impact we have made together. Your involvement is vital as we move forward into another promising year at the Art Association.

With heartfelt appreciation,

Jennifer Lee
Executive Director

The Art Association of Jackson Hole is dedicated to encouraging a vital, creative community through education, engagement with, and enjoyment of visual art. A healthy community includes a variety of out of school and out of work offerings for its children and adult members from recreation & sports, clubs & community service, to arts & culture. The Art Association of Jackson Hole is proud to provide the opportunity to become more actively engaged in visual arts for local children, families, adults, artists, and visitors. We enhance visual arts learning opportunities, contexts for artistic expression and situations for community engagement. We value creativity and collaboration, and the fostering of these values in our classes, events and exhibits amplifies the social, economic and cultural fabric of Jackson Hole.

We are committed to cultivating community spirit. Our five amazing studios; Ceramics, Multi-Purpose, Children's, Digital Lab & Photography and Painting, Drawing and Printmaking are spaces where individuals from diverse backgrounds can come together to appreciate and participate in visual arts together. Through the exhibitions in our gallery, workshops with local and visiting artists, and events including *Whodunnit?*, *Art Fairs*, *Pumpkins on Fire*, and *Holiday Bazaar*, our work fosters social connections. We aim to increase wholeness, balance, creativity, well-roundedness and vibrancy in Jackson Hole.

Education is a primary aspect of the value provided to Jackson Hole by the Art Association. We host a plethora of workshops and classes that promote artistic skills and creativity among community members of all ages. By providing access to art education, we empower our participants to express themselves and develop critical thinking skills. Research shows that arts education can enhance cognitive abilities, improve academic performance, and foster emotional intelligence.

We take pride in fostering community development and enhancing education, and consider ourselves to be an indispensable asset to our community. We look forward to continuing to create spaces for connection, inspire creativity, and contribute to a dynamic and resilient community. We believe we are essential for nurturing a community that celebrates diversity, innovation, and creativity. Thank you for joining us in our efforts to enrich the lives of and pave the way for a
